Subject.

(Special to The Times-Dispatch.)
NORFOLK, VA., April 30.—Representatives Joseph E. Russell, of Louisiana; James H. Davidson, of Wisconsin; and Hon. W. L. Jones, of Louisiana, of the congressional river and harbor committee, arrived here this morning from Washington. They came to see the needs of the Norfolk harbor, to examine the route of the proposed inland waterway between Norfolk and Beaufort, N. C., and at the same time awaken interest in the National Rivers and Harbor Congress, of which Mr. Russell is chairman of the executive committee.

They were met here by Representatives Harry L. Maynard, member of Congress from this district; Representative John H. Small, member of Congress from North Carolina; W. W. Moss, president of the Citizens Bank of Norfolk; Captain J. W. McCurick, Hon. R. T. Thorp, Captain R. E. Evelyn Winslow, United States army engineer in charge at this post; S. L. Warwick, chief clerk of the United States engineer; Captain W. R. Boutwell, of the Virginia Pilot Association; Colonel William Bousley, of Elizabeth City, N. C., accompanied the delegation from Washington.

The party embarked on the engineer's steamer McGregory and made a short tour of the harbor. Breakfast was served aboard.

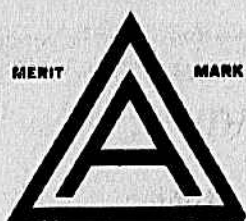

Shortly after the members of the committee, accompanied by Colonel Beasley and Mr. Warwick, sailed on the McGregory for Elizabeth City, going by way of the Dismal Swamp Canal.

The committee was to hold a public hearing on the waterway project at Elizabeth City to-night. At noon to-morrow they will be entertained at the Board of Trade rooms, where luncheon will be served. When the harbor improvements and the waterway will again be discussed. At 4 o'clock to-morrow afternoon the committee will proceed to Wilmington, N. C.

"The Good Samaritan."

(Special to The Times-Dispatch.)
GRAHAM, VA., April 30.—The Independent Order of Odd Fellows, two hundred and seven strong, attended the Methodist Church Sunday morning, and heard a special sermon from Rev. Thomas Priddy, of Grace Church, Bluefield. The subject was the "Good Samaritan." The offering, which amounted to sixty dollars, was given to the new Methodist parsonage.

At the close of the service, the Rev. and Hon. Newton Harman, ex-State Senator from Tazewell, made an interesting talk on "Christian Socialism."

(Special to The Times-Dispatch.)
WINCHESTER, VA., April 30.—It was announced here to-day that James Clark and John Keating, two of the wealthiest men of Cumberland, Md., have bought 100 shares of stock in the Shenandoah Valley National Bank, of this city, paying the highest price ever known—\$55 per share. The par value is 100. Both men formerly resided here and are half brothers.

Suit Against Estate.

(Special to The Times-Dispatch.)
WINCHESTER, VA., April 30.—Suit was filed in the Circuit Court here to-day by James Funk against the estate of his former partner, the late John Ray. The plaintiff alleges his partner unintentionally or otherwise falsified the books of the firm, and that more than a thousand dollars is still due him from the estate. The case will be fought with great vigor by all parties concerned.

A NATIONAL PARK
FOR PETERSBURG

Proposition to Convert Historic
Battlefields Into Resorts
of Pleasure.

RESOLUTION WILL PASS

Two Young Men Arrested, One
for Stealing a Watch, the
Other a Chain.

(Special to The Times-Dispatch.)

PETERSBURG, VA., April 30.—A much more encouraging prospect for the proposed national park on the Civil War battlefields around Petersburg is reported by Captain Carter H. Bishop, one of the original workers for the plan, who has just returned from Washington, and who says that the park resolution would pass both houses of Congress by an almost unanimous vote if it could be brought to a vote, wherein the difficulty lies.

In the Hastings Court to-day Judge Mullen refused to grant liquor licenses to Willis Gilliam and R. M. Dillard, colored proprietors of notorious bar-rooms on Old and Halifax Streets, basing his decision on the evils of the drinking and carousing in these resorts, and emphasizing the statement that he would hereafter see that such places are closed, when proper complaint was made against them.

BUILD WAREHOUSES.

The British-American Tobacco Company has awarded a contract for building two big storage warehouses to Bristle and Harrison. The warehouses will be built on the company's recently acquired property on Brown Street, and will cover an area of about one hundred by two hundred feet.

A young white man named A. G. Glenn was arrested at a hotel here yesterday afternoon by Chief of Police Ragland, and taken to Richmond to-day for trial on the charge of stealing a watch.

L. E. Sydnor, of Prince George county, was arrested by Captain Ragland Saturday afternoon in E. H. Timmus's jewelry store, where the young man was trying to sell a gold watch chain, worth about \$100, which he confessed to have stolen. Sydnor is said to have stolen the chain from George W. Doll at a boarding house in Crewe, where both men were staying.

heart trouble at his home of Market Street.

Mr. Blinn Seward has returned in fine health after spending several months in Florida and other Southern States.

The report of the city health officer, Dr. R. A. Martin, for the month ending April 26th, shows a total of forty-seven deaths, of which only thirteen were among the whites, a mortality rate of 11.14 for the white population and 31.86 for the colored. The white and colored population are estimated to be nearly equal.

REBUILD HOSPITAL.

Institution Burned Saturday to
Be Restored at Once.

(Special to The Times-Dispatch.)

NORFOLK, VA., April 30.—A greater institution will rise from the ruins of the Norfolk Protestant Hospital, burned Saturday night. As soon as the insurance on the building has been adjusted, the work of rebuilding will commence. The hospital will not be closed; patients will be taken care of in the building formerly utilized as a home for the nurses, and the east wing of the building, which remains standing, will be kept open and used for the reception of colored patients and as the operating department.

Mr. W. B. Baldwin, secretary of the hospital corporation, said this afternoon that the insurance carried on the hospital building was about \$45,000, and that would probably cover the loss. However, that may be, the hospital will be restored on a larger and better scale than ever before.

Most of the instruments of the hospital were destroyed in the fire. They were valued at several thousand dollars, and the management of the hospital had to that extent having operations to perform there before the lost instruments can be restored will do well to bring their own instruments.

STUDENT DROWNED
WHILE IN BATHING

Young Man Seized With Cramp
and Sank Without Any
Outcry.

(Special to The Times-Dispatch.)

ASHBURNHAM, N. C., April 30.—J. A. P. Hystare, Jr., aged 18, of Lenoir county, S. C., a student at Bligham School, was drowned while bathing this afternoon in a pond near Murphy Junction, half a mile from the school. Hystare was evidently seized with a cramp and sank without any outcry. The body was recovered twenty minutes after by the draining of the pond. The deceased was in his second year at Bligham, and stood high in the estimation of the school authorities. His parents have been notified.

BAY SHORE CASE.

Appeal to Judge Waddill To-day
to Prevent Sale.

NORFOLK, VA., April 30.—A final effort to prevent the sale here on May 30 of the Bay Shore Railroad receivership properties has been made in the United States District Judge Waddill, ordering the road sold. The motion for an appeal from this decision has been filed by counsel for Burr, Brown & Zell, the Philadelphia capitalists who have been on the Bay Shore litigation for some months, in a desire to secure an advantageous position as bidders for the property when it is finally sold.

The motion comes up specially at Richmond to-morrow, the legal fight being temporarily transferred from Norfolk to that city. Up to this time Judge Waddill has presided alone in all Bay Shore hearings, but to-morrow United States Circuit Judge Pritchard, at the request of Judge Waddill, will sit with him. The motion for an appeal from the order of sale, which would mean the holding of the sale scheduled for Thursday, will be fought on all sides. The point will be made that the order of sale was a "consent order" and that the objectors are now too late. The entire record in the case will be carried from Norfolk to Richmond in an immense dress suit case, which has already been packed and sealed and marked for delivery to the court authorities at Richmond. This means that every paper of record in the Bay Shore case leaves Norfolk to-morrow morning.

LAST HUNT MEET.

Long and Merry Chase Through
Beautiful Country.

(Special to The Times-Dispatch.)

FREDERICKSBURG, VA., April 30.—The last meet of the Orange County Hunt Club was held Friday, with many members participating in the hunt, including a number of ladies. It was a long chase over a number of fine farms, through the beautiful country around Orange Courthouse. During the run a number of high fences and deep ditches were taken without a single accident. Several of the riders lost a stirrup, but they held out to the end.

The chase wound up at Orange Courthouse, where a big jump had been arranged on the principal street, and many people gathered to see the close of the hunt.

After the run the members met for refreshments and later officers of the club were elected as follows: H. O. Lyne, president; Dr. J. S. Andrews, vice-president; Dr. R. Marvin Harris, secretary and treasurer; Wallace Sanford, master of hounds; W. S. Grymes and Argus Wambersale, whips.

SUICIDE OF A GIRL.

Unusual Act of a Negro Child.
Other Items.

(Special to The Times-Dispatch.)

FREDERICKSBURG, VA., April 30.—Mildred Lewis, twelve years old, daughter of Jesse Lewis, colored, committed suicide here to-day by jumping into the water power canal. The body was recovered.

T. J. Haydon had a purse containing \$70 stolen from his lively stable office Saturday night. Sunday, Robert Meredith, a negro, appeared in a new suit of clothes, and he was suspected. Sergeant Chichester arrested him and soon made him confess. \$46 of the money was recovered. Meredith is in jail awaiting the action of the grand jury.

Applications for liquor licenses were heard to-day by Judge A. T. Embrey in the Corporation Court. Ten licenses were granted. One, that of O. M. Armstrong, was contested and continued.

HOLD ANOTHER MEETING.

Trustees of Sweetbrier Institute
Will Elect President in Norfolk.

(Special to The Times-Dispatch.)

LYNCHBURG, VA., April 30.—The board of trustees of the Sweetbrier Institute, which is located a short distance in Amherst county from this city, met here this afternoon for the purpose of hearing the report of the committee recently appointed to suggest the name of an educator for the head of the institution. The expectation is that the president will be elected at an adjourned meeting to be held in Norfolk. It will be recalled that Dr. J. M. McBryde, of the Virginia Polytechnic Institute, has declined the presidency of this school, which will have one of the most valuable properties and largest endowments in the South when it is ready for its first session in September.

County High School.

(Special to The Times-Dispatch.)
RUSTBURG, VA., April 30.—A meeting of the Campbell county school board, called by Superintendent Garber, was held Saturday at 12 o'clock at Rustburg, to consider the question of co-operating with Rustburg District in establishing a high school at Rustburg for the county. All the districts agreed to co-operate except Falling River.

A very enthusiastic mass meeting of citizens was then held and a motion was unanimously adopted requesting Superintendent Garber to make application to the State authorities for the maximum amount of \$400 annually to maintain said high school, an equal amount having been pledged by the district boards and by private subscriptions. Subscriptions were also received to the amount of \$1,500 to provide a building.

RETURNS FROM FRISCO.

Man and Daughter Were Not Ex-
cited While Big City Collapsed.

(Special to The Times-Dispatch.)

ROANOKE, VA., April 30.—Mr. R. H. Fishburne and his daughter returned this morning from San Francisco. Mr. Fishburne was stopping at the Hotel Netherlands and was prepared to leave the city. He says so much about earthquakes that he was not at all excited. He told his daughter to dress, and they were about the last to leave the hotel. They were also among the first to leave the city, making straight for the ferry boat. Their baggage was delayed a week, which kept them in Stockton. He says the loss of

Mrs. Schaeffer was aroused by one of her children at 5 o'clock, and while up noticed two negroes standing under a window. WINSOME
DOROTHY
AMHURST

Dorothy Amhurst is the best, most charming type of modern American girl, sweet, lovable, altogether winsome. The kind of girl every one wants to meet.

What is the first thing you would do if you were poor, in uncongenial employment, and made unhappy by those you served, and if, unexpectedly, you should fall heir to \$15,000,000?

It is a safe guess you would not use the money as did Dorothy Amhurst, and it is an equally safe supposition that in one thousand guesses you could not hit upon the utterly unique way she spent the money. No, it was not for charity, or eccentricity, or to buy a foreign husband, or a title or land or house, or even jewelry, but for something such as no other woman, since the world began, ever bought. Guess?
